Book of the Revelation - Course Syllabus

Description:

From Church history to the End Times, Book of the Revelation tells students where the church has been and where it's going. This course gives detailed accounts of the seven early churches and relates their events to churches over the last 2,000 years. The last half of this course text gives a thorough description of the End Times. From the Rapture to the end of the Millennial Reign of Christ, students will be guided to an understanding of John's prophecies. Many Bible references, charts, and historical proofs, will foster an evangelistic mindset in the students as they await the second coming of Christ.
