Life Management under God - Course Syllabus

Description:

This course ushers students into an adulthood that is governed by Biblical principles with Life Management under God. Throughout this course, students will be given godly advice when dealing with life issues such as relationships, health, safety, careers, money, marriage, and more. Personal stories within this text show students real-life situations and the blessings and consequences that go along with good and poor decisions. Study Questions and ample Bible references help students learn and apply principles to help them live a successful Christian life.
