23-24 School Catalog

Purpose

This catalog is the official document for all academic policies, practices, and program requirements. The general academic policies and policies govern the academic standards and accreditation requirements to maintain matriculated status and to qualify for a diploma. Northgate Academy has adopted a 'grandfather clause' policy such that students may complete their academic programs under the program requirements that existed at the time of their enrollment to the extent that curriculum offerings make that possible. If program changes are made that affect student programs of study, every effort will be made to transition students into a new program of study that meets new graduation requirements. Students proceeding under revised academic policies must comply with all requirements under the changed program.

Reservation of Rights

Northgate Academy reserves the right to make changes to the provisions of this catalog and its rules and procedures at any time, with or without notice, subject to licensing requirements. This catalog is not a contract but merely a general outline of the programs being operated presently by the school. Certain policies may be grandfathered in at the time of enrollment, and other revised policies may supersede prior policies.

Philosophy of Education

Northgate Academy is a Christian learning community in the tradition of college preparatory high schools. As such, Northgate strives to foster a culture of excellence in learning based on biblical teachings in a flexible and nurturing online learning environment.

Education, as the process of teaching and learning, involves the whole person by developing the knowledge, values, and skills which enable each learner to become successful with academics and in life.

Mission Statement

The mission of Northgate Academy is to raise up the next generation of Christian leaders through the training and nurturing of students in their spiritual, academic, emotional, and social development. This is realized through delivering a Christ-centered education founded on biblical truth, which leads to the development of a worldview that will greater impact the world for Christ.

Northgate Academy will:

- Emphasize excellence in teaching and learning.
- Foster high school-level competencies in communication, critical thinking, information literacy, and mathematics in all programs.
- Promote the synthesis of academic knowledge and the Christian worldview so that students will experience a maturing of their spiritual, intellectual, social, and value-driven behavior.
- Encourage a commitment to the Christian life as it is lived out, a life that leads people to Jesus Christ as the Lord of the universe and their own personal Savior.

History

Northgate Academy is part of the Excel Education Systems School District. Excel Schools have been offering accredited online high school programs since 2005. Northgate Academy is the faith-based division of Excel Education Systems and was founded to better serve the homeschool community and those seeking a Christian- based high school education.

Equal Educational Opportunities

Equal education and opportunities shall be available for all students without regard to color, race, nationality, sex, ancestry, or age. Any student may file a discrimination grievance by contacting the Office of the President in accordance with the school's Grievance Procedure.

Statement of Faith Statement of Fundamental Truths

The Bible is our all-sufficient rule for faith and practice. This Statement of Fundamental Truths is intended simply as a basis of fellowship among us (i.e., that we all speak the same thing, 1 Corinthians 1:10 [KJV/NIV]; Acts 2:42 [KJV/NIV]). The phraseology employed in this Statement is not inspired nor contended for, but the truth set forth is held to be essential to a full-gospel ministry. No claim is made that it covers all Biblical truth, only that it covers our need as to these fundamental doctrines.

Northgate Academy is an A+ Rated, Accredited Member of the Better Business Bureau. Membership with the Better Business Bureau (BBB) ensures that organizations agree to the quality and trust standards set forth by the BBB. Northgate Academy is committed to service excellence.

Academic Expectations

Northgate Academy is a school that is quite different from a traditional brick-and-mortar school. Because of the school's unique nature, **students must take primary responsibility for their own learning. Self-motivation, dedication to learning, and regular participation are essential.**

The staff at Northgate Academy is available and involved in supporting the students' education, but in reality, it is the student who determines his or her own level of success.

Transfer Credits and Transcripts

During the initial placement process, each full or part-time student will have the opportunity to transfer in credits from their previous high school experiences. Transfer credits can be accepted from American public high schools or regionally accredited private schools in America.

Students should request an official sealed transcript sent from their current or previous school to Northgate Academy:

*Office of the Registrar
Northgate Academy
601 Carlson Parkway, Suite 1250
Minnetonka, MN 55305*

Upon receipt of an official transcript, a formal credit evaluation will be completed, and the results of the evaluation are available in the student portal. Transfer credits will appear on the student's Northgate Academy transcript as transfer credits with a notation regarding where the original credit was earned.

According to Cognia policy and regardless of how many credits a student transfers to Northgate Academy, at least 25% of the total credits must be earned at Northgate Academy before a diploma can be issued. This means that regardless of how many credits a student has earned from a previous school, students must complete a minimum of 5.5-6 credits at NGA before a diploma can be issued.

Homeschool Transfer Credits

Northgate Academy will accept most homeschool credits via portfolio and transcript review, as well as completion of Northgate online exams. The cost of each course exam is \$25.00. After review of a student's portfolio and passing score of a final exam, credit may be awarded. We will work hard to help you transfer your homeschool credits to our school.

Full-time vs. Part-time Students

Northgate Academy serves both full- and part-time students and is equally committed to its students, regardless of their level of involvement. Part-time students might take a few courses – or even just one. Full-time students complete five or six 1.0 credit courses per year.

If a student plans to graduate from Northgate Academy, they will also need to maintain a full-time status of five or six courses. Northgate Academy requires that students take at least 1 English, 1 Math, 1 Science, 1 Social Studies, and at least 2 Elective credits before graduating. You will choose your full or part-time status when you enroll in the school.

High school-age students enrolled full-time at NGA may not be concurrently enrolled full-time at another school.

Time and Learning Requirements

The amount of time students spend on Northgate Academy courses will vary from student to student and even course to course. However, at Northgate, students will have 12 months with which to complete a grade level. That time frame is flexible as long as the student, parent, and teacher are in regular communication. Individual courses and semester enrollments have 6 months to complete the coursework.

On average, students should expect to spend approximately 45 minutes to an hour per course, five days per week, to complete the course within the 4-6 month semester schedule. Modeled after a college semester, a full-time student can complete the standard core curriculum requirements for two grade levels within 36 weeks or a typical two-semester school year.

To complete your courses on schedule, students should be consistently engaged in their online courses. Students under the age of 18 should be spending a minimum of 20 hours per week in their online courses to meet state compulsory attendance laws. A one-time per grade level course or program extension might be available for an additional \$ 200 fee but must first be approved by a counselor.

Adult students, age 18+, are not required to be in their courses for a specified amount of time but must have a regular pattern of participation in their online courses. Students who do not participate in their online courses for 60+ days will be terminated from the school. Students under the age of 18 who are absent from their online courses for 30+ days may receive a notice of intent. If you are under the age of 18, Northgate Academy may also notify your home school district of any truancy concerns. We will work with your schedule and be flexible with you. Communication is key! **Students taking online courses must be dedicated and disciplined.** Northgate Academy offers a great deal of flexibility, and we request that you notify the school of any prolonged absences from your online courses. We realize our students sometimes have special considerations, and we will help to make accommodations as requested.

Course Extensions

In extremely rare situations, the school will approve a one-time per grade level, two-month extension allowing a student more time to finish a class. In order for a student to be approved for an extension, the student must have stayed in regular contact with the teacher, made reasonable progress toward course completion (as determined by the approval committee), and submitted a legitimate reason (in writing) for needing the extension. The explanation must be signed by both the student and parent and submitted to the teacher, who will forward the request to the approval committee.

Examples of a legitimate reason would involve an unforeseen family, personal or medical emergency, or natural disaster. Lack of time to communicate or participate will not constitute a reason for granting an extension. The cost of this 2-month program extension is \$200.00.

Communication & Login

(including “attendance” and absences)

Regular participation in Northgate Academy classes is critical to student success. Regular participation will help to keep students motivated and keep them in touch with their instructors. Although there is no “attendance” in the same way as it is defined at a typical brick and mortar school, students should log in to each of their courses for substantive participation at least three times each week, spending a minimum of 20 hours.

If a student knows they will not be participating in a course due to vacation, travel, or other commitment, they must notify the school office at least one week in advance of the planned absence.

We encourage parents with children under the age of eighteen to become familiar with your state’s compulsory attendance requirements.

Northgate Academy welcomes and encourages regular communication. Students are encouraged to contact the school through the online help desk or by email at: admissions@northgateacademy.com or by calling the school staff during regular school hours at 800-339-7132 or 763-412-4701.

School Calendar

The Northgate Academy calendar is easy to describe. The school is open whenever you want it to be. The school offices do close for the traditional seasonal holidays; however, students can still participate in their classes during these times.

Our technology makes the school accessible 24/7/365, except for rarely scheduled system maintenance.

We believe this flexibility for students and families, combined with the consistent availability of instructors is one of the greatest strengths - and most unique features - of Northgate Academy.

Northgate school offices are closed on nationally recognized holidays.

Classes and Assignments

Each course is composed of lessons. Each lesson typically contains a digital textbook, resources, course content, assignments, and/or multiple-choice exams or fill in the blank. Multiple-choice exams are auto-graded immediately upon submission, and students can view their grades immediately. Written assignments are graded within 48 business hours from the students' submission, and students can view their grades along with grader feedback and comments.

Students generally take five or six courses at a time, in a specified sequence within the high school program. Except in cases where transfer credits are being applied, course order within a program should be followed to ensure proper learning progression and sequencing through cumulative learning.

Study Tips

Multiple-choice assessments are used throughout Northgate Academy's program to measure students' mastery of the program objectives. In most programs, students will need to complete assignments that require evaluation and feedback from the school's instructional staff. Assignments are graded using a rubric, which will be found in each course assignment. This rubric provides guidance for students; it helps to clarify essential elements of the assignment that will be evaluated to determine a grade. The rubric is also an important tool for the instructional team to ensure that each student is evaluated consistently and that each student meets the primary objectives of the assignment. Assignments that have very specific right or wrong answers may employ an answer key instead of a grading rubric. In the rare case, when an instructor needs clarification on an assessment, an oral exam may be recommended to ensure students have mastered the content.

A grading rubric is a scoring tool used to help guide both the student and the teacher. It helps to define the quality of a student's work from the category of excellent to poor and serves as a detailed and specific roadmap for students, which leads to improved student outcomes. Lastly, a grading rubric helps increase grading efficiency and consistency among teachers. If a rubric is used as a tool in your assignment, the rubric will be included with the assignment instructions.

Written assignments in Northgate courses require students to submit an academic honesty statement, use the APA format when writing their paper and submit their paper through “Turn It In” (Plagiarism Tool) before submitting for grading. Students are encouraged to use the Writing Lab to improve writing skills.

Academic Counseling

Academic counseling is available for all full time students. We will assist with course selection, post-secondary guidance, and other academic counseling issues. Please call the school at 1.800.339.7132 for any academic counseling needs. Northgate Academy offers Success Coach Pro for students and parents that wish to have more frequent connections with an academic and counseling coach. Success Coach Pro is a great way to plan for college admission and overall success.

Career and College Counseling

As a Northgate Academy student, you have free access to expert career and college counseling services through our school and www.myplan.com. This website has a wealth of resources for Northgate students ranging from Career Exploration and Assessment Tests to college and university information, and even educates students in selecting a major of study. Students access myplan.com through their student portal, where the directions and access codes are available.

Northgate Academy Staff

Northgate Academy is very proud of its extraordinary instructors. All of our instructors are experts in their content area, as determined either by teaching licenses, advanced degrees in their field, or both. All of our instructors are also committed to online education and providing families with the choices and flexibility inherent to the delivery method.

Reach out as needed and we will be here to help as we are able.

Awarding of Credits and Diplomas

Grading and Reporting

Northgate Academy uses a traditional A-F grading system. Instructors assign final grades based on the following Grading Scale:

A = 90-100% | B = 80-89% | C = 70-79% | D = 60-69% | F = under 59%

Proof of Enrollment

Northgate Academy will provide a POE letter, DACA, SSA, DMV, and any other documents upon request, according to the "active full-time student" policy regarding full-time enrollment. In some cases, having a transcript from your previous high school and photo ID on file is required before signed documents are submitted. An "active full-time student" is someone who is enrolled as a full-time high school student. In addition to being enrolled for a minimum of 30-days, a student needs to demonstrate consistent attendance by logging in at least 20 of the last 30 days of a received request, regularly submit assessments in academic courses, and successfully complete a minimum of 10 assignments (within the last 30 days of the request.) The only time we will provide a POE immediately is for a public school to comply with state compulsory attendance laws.

Credit Requirements for Graduation

For full-time students who wish to earn a Northgate Academy College Prep diploma, Northgate requires a total of 24 credits to graduate. A standard 21.5 credit diploma and a 24-credit college prep diploma are available, and both diploma tracks are acceptable for college admission.

Students complete credits by following a typical six-course, 18-week semester schedule.

* High school aged students may choose from the 24 or the 21.5 credit diploma programs.

The credits must include at least the following:

21.5 Credit Track	24 Credit Track
4.0 credits of English	4.0 credits of English
3.0 credits of Math	4.0 credits of Math
3.0 credits of Science	3.0 credits of Science
3.5 credits of Social Studies	3.5 credits of Social Studies
0.5 credit of Health	0.5 credit of Health
0.5 credits of Personal Fitness	0.5 credits of Personal Fitness
1.0 credit of Fine Art	1.0 credit of Fine Art
6.0 Elective credits	6.5 Elective credits
	2 Foreign Language

* Students planning to attend college are encouraged to enroll in either the SAT or ACT prep courses during their sophomore or junior years. Students should plan to take the SAT or ACT in their junior year. Many times, students take the exam twice or more to increase test scores. Northgate Academy is registered with the College Board and has been assigned school **CEEB ID# 240003**.

Northgate Academy will not issue a high school diploma to any student under the age of 17 without accompanying standardized test scores. SAT/ACT scores must be sent to the high school and will become part of the student's permanent file. Please contact the school counseling office for further details. SAT score of at least 1270 and or an ACT score of at least 26 is required.

End of Course Survey

Students are required to complete End-of-Course Survey for each completed course. The End-of-Course Survey includes questions on student engagement, student readiness, instructor and academic advisors support, technology, curriculum, resources, and other support. Student feedback through the End-of-Course Survey is an opportunity for students to have a voice in their program of study and is an essential part of our process of continual improvement.

Credit Granting/Instructional Time Policy

Northgate Academy issues credit to students when they have successfully completed all required coursework with an overall final exam score of 60% or higher and a final grade of 60% or higher.

Credit breakdown is as follows: (1.0) credits = 180 instructional hours
(0.5) credit = 90 instructional hours.

* In order to satisfy accreditation requirements, students must complete at least 25% of their required graduation courses at Northgate Academy in order to be granted a high school diploma.

Class Rank Position Statement

Northgate Academy enrolls students from various locations from around the world. The student body consists of students from varied locations throughout the world with diverse educational needs. Northgate's student body is represented by a broad range of various learner demographics. Students enroll at varied times throughout the year for a multitude of reasons to suit their specific learning style. Northgate students are represented by future ivy league candidates, average high school students, and "at-risk" students that may have already been classified as dropouts – but have opted to re-engage in their learning.

Because of flexible enrollment periods, varied locations, and the different demographics represented by our student body, Northgate Academy has chosen to follow an emerging industry path of not assigning a class rank system to our students.

Participants

The Student

At Northgate Academy, students are responsible for their own learning. It is, after all, their education that will be with them for the rest of their lives. **Students must take the initiative to log in to the school, and complete their work at the highest possible level of quality. Students must seek help when they need it, establish their own daily schedules, and take responsibility for meeting deadlines.**

Progress reports are available in the student information system SIS.

The Parent/Guardian

The parent role at Northgate Academy is critical. Parents, of course, are responsible for providing adequate supervision for their students and supporting the student's learning. This includes providing a suitable working environment, encouragement, and appropriate assistance with course content when possible. Parents have access to the parent portal in the school's SIS to monitor their child's course progress. Parents may request a conference with a success coach at any time during the semester to provide feedback and gain insight into their child's performance.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records.

These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31).

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;

- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Title I, IEP, 504, and Special Education Services

Northgate Academy is a private high school and does not receive funding from the State or Federal Government. Furthermore, as an online learning institution, our courses are asynchronous and are offered in an independent, self-paced format. Northgate Academy offers standard high school courses. The very nature of Special Education and IEP services requires more hands-on support for students. Northgate does not employ Paraprofessionals or offer support for Title I, IEP, 504, and Special Education Services. Students seeking services should contact their local school district offices. Special Education credits earned at a previous school will **not** transfer as standard credits.

Behavior Expectations

Northgate Academy expects exemplary behavior in all of its environments. Students come to Northgate Academy for a safe and productive environment, and any behavior that, in the judgment of any staff member, negatively impacts that environment can cause the student to be subject to disciplinary action.

Progressive Discipline

In any case of inappropriate behavior or violation of any school policies, the following progressive discipline plan is used. Depending on the seriousness of the offense, the discipline process may begin at any Step in the plan:

- Step 1: Instructor/advisor communication with the student. Occasional breaches of netiquette that impact the learning environment.
- Step 2: Instructor/advisor communication with the student, parent, and President. Consistent breaches of netiquette that impact the learning environment.
- Step 3: Instructor/advisor communication with student, parent, and President. Student may be placed on probation, resulting in increasingly severe consequences for any subsequent violation. Terms of the probation will be determined by the President in consultation with the advisor, instructor, and parent. Moderate violation of the acceptable use policy in a way that does not impact any other student or the function of the school.
- Step 4: Communication will be had with the student, the parent/guardian, the President, the student's advisor, and any instructors involved in the trigger incident(s). Depending on the results of the conference, the student may be placed on probation, expelled from a class, or expelled from school.

In particularly severe cases (such as repeated cases of plagiarism, harassment, or violation of acceptable use policies), expulsion may occur without the communication/conference.

Appropriate Communication & Netiquette

Netiquette refers to rules of etiquette for Internet-based communication. Netiquette is intended to help staff and students communicate clearly in this environment with a minimum of misunderstandings or other unintended consequences. The basic rules of netiquette to which Northgate Academy subscribes are:

1. All course postings should be in standard written English when possible (except in foreign language classes, of course). Since Northgate Academy is an academic environment, slang is generally inappropriate. For brief, informal postings in discussion boards and text chats, it is not necessary to use standard written English; typos and grammar errors are to be expected.
2. Avoid using ALL CAPS. In an online text environment, using all capital letters is considered shouting.
3. Postings should be meaningful and demonstrate clear, critical and analytical thinking whenever possible. Remember that every posting in a course is part of academic work. Avoid comments that lack substance, such as "I agree" or "Good point." Make sure that each posting adds substantially to the conversation. This helps make discussions more efficient for everyone.
4. Respond respectfully to people, especially when you disagree with them. The academic online environment is conducive to rich, thoughtful discussion. To encourage that, all perspectives should be honored and respected. Instead of "you're crazy!" try asking clarifying questions, such as "I hadn't thought of it that way – can you explain that a little more?"
5. Remember that your online skills may be less or greater than your peers. Be tolerant of others' mistakes – and your own.
6. Be yourself! Don't be afraid to inject your personality into your work.

Student/Parent Handbook of Policies

Northgate Academy has many policies, but none are more important than those pertaining to the safety, security, integrity, and comfort of its staff and students. The following academic integrity, harassment, and acceptable use policies are critical to this philosophy and are included here in their entirety. All students and parents will sign a pledge that they have read, understood, and agreed to follow these and other school policies.

Academic Integrity and Plagiarism

I. Introduction

The purpose of this policy is to maintain the highest standards of academic integrity throughout the school. Any learning environment is based on trust, honesty, and integrity. Northgate Academy's unique online learning environment is no exception.

II. General Statement of Policy

Any form of academic dishonesty is unacceptable and will not be tolerated. The school will respond vigorously to all violations of this policy.

III. Violations

Violations against academic honesty include but are not limited to:

- Impersonating another student or adult or having any person impersonate the student in any way.
- Copying and submitting another person's work as one's own, whether or not that person is part of the Northgate Academy community.
- Representing someone else's work as one's own.
- Including, without citation, work from any other person or source.
- Any other action intended to obtain credit for work not one's own.
- Any form of cheating on any test or assignment.

IV. Student Responsibilities

Students take full responsibility for all work submitted in their name or from within their account. Students are responsible for understanding academic integrity, plagiarism, and related issues. If a student does not understand such issues, they are responsible for discussing them with an advisor or instructor at the earliest possible time and within one week of starting any Northgate Academy course.

V. School Response

All violations or suspected violations of this policy will result in a report by the instructor to the school Director and communication to the parent by the Director, the instructor, or both.

The school's response to violations of this policy may include, but is not limited to:

- Denying credit for any assignment in which the violation occurs.
- Denying credit for any course in which the violation occurs without refund for that course.
- Suspension or expulsion

Academic Policies

- **Access to Final Exams** - Students will not have access to their final exams until at least 60 days from enrollment in the class. Exceptions in extraordinary situations may be considered, in which case, after 30 days after enrollment, the student takes the final proctored exam. Please call and get more information from a Northgate school counselor. If a student fails a final exam, a second attempt is available immediately, but students are encouraged to study from the first attempt prior to taking a second. ** An oral exam may be required to ensure students have mastered the content.
- **Academic Probation** - If a student fails two courses, they are placed on Academic Probation. If a student fails a third course, they are subject to being dismissed from the school. Counselors monitor these students' progress and are always available to help with academic support. It is critical that students on Academic Probation understand the urgency of their situation and increase communication with their instructors and counselors to make every effort to improve their academic standing.
- Northgate Academy staff are dedicated to helping our students! Northgate Academy counselors can load a maximum of 6 courses at a time. Also, students can only be enrolled in one core course at a time. For example, Northgate will not enroll students in English 11 and English 12 simultaneously. In the case of a student needing both English credits, the student would need to complete English 11 first, and then the student could take English 12.
- **Withdrawals / Drops / Incompletes / Fail**
 - Withdrawals and Drops
 - A course can be dropped/replaced if a prerequisite has not been taken (Example: Taking Algebra II before Algebra I has been completed or taking Chemistry before Biology & Algebra I has been taken.)
 - Students have three (3) months to view an assigned course and request a drop/transfer as long as the course is not completed.
 - Incompletes or Fails

Refund Policy

There are two components to the Northgate Academy refund policy. The first is the Northgate Academy Guarantee:

Northgate Academy guarantees that the credits you earn meet state academic standards and are accepted by post-secondary institutions, including colleges, universities, junior and community colleges, the military, and most employers. If they are not accepted, we will work with the institution to facilitate the acceptance of these credits. If the institution still does not accept these credits, Northgate Academy will refund the money paid for any non-accepted credits.

The second component to the refund policy is in regards to students who sign up for one or more courses but then choose not to engage. Refunds will be made according to the following schedule:

A full refund is offered for students enrolled for up to 10 calendar days **less the cost of the licensed textbooks purchased, if applicable. After the 10th calendar day of enrollment, no refunds are issued.**

******In most cases, you will have no trouble using a diploma from Northgate Academy for employment, college entrance, etc. We cannot guarantee that all credits will be accepted for transfer to other schools. We ask that all students check on acceptance **before** enrolling at Northgate. We do offer a 100% money-back guarantee on all programs.

Application Process

The entire application and enrollment process for Northgate Academy takes place online. At <http://www.northgateacademy.com> you will find the application and registration forms for both full- and part-time students. Enrollment Policy

Students will be considered “enrolled” with Northgate Academy after they have filled out the online application, signed the enrollment agreement, provided all necessary documentation to the school office (transcripts, etc.), and had a consultation with the Student Services Coordinator. After reviewing the student’s transcripts, the student services coordinator will place the student in appropriate course sequences based on pre-requisites and other factors. Pre-requisites do not pertain to credit recovery students.

Northgate Academy requires that students complete assessment exams. These assessments are required at the beginning and end of the school year. Also, having regular discussions with your child about the classes is a good way to gauge if they are learning. Please contact your student's instructors immediately if there are concerns regarding this topic.

7. Is there a face-to-face requirement? What sort of attendance is required?

There is no face-to-face requirement. Northgate Academy is a fully operational online high school. Although there is not a traditional attendance requirement, **students will only learn to their full potential if they actively participate in all course assignments.**

It is recommended that high school-aged students participate a minimum of 20-hours per week. Adult students may participate according to their own schedule, but should participate weekly. Students under the age of 18 are required to meet their state's compulsory attendance requirements.

*Northgate Academy offers convenient and affordable payment plans for our full-time and semester students.

You will notice the cost to attend Northgate Academy is about half the cost of comparable accredited private high schools in the U.S. It is our goal to keep education affordable for everyone. Since we are able to keep our costs low, we pass these savings on to our students. We have no buildings to maintain, other than our administration offices; we have no school busses to operate; we do not employ a facilities maintenance crew; we do not offer school lunch programs; so you can quickly see how we can be such an affordable option.

9. Will colleges accept Northgate Academy credits?

Yes! We have found that graduates of Northgate Academy have gone on to attend a number of well-known post-secondary institutions to further their academic careers. Others have gone on to enroll in local community and junior colleges in their area, vocational/business schools, and some have even joined the military.

Payment Option:

Northgate Academy charges \$99.00 per month for the accredited adult high school diploma program. The payment structure is \$99.00 per month for 10 months, or less, depending upon how many months it takes a student to successfully complete 21.5 credits and graduate. For example, if a student completes the adult high school diploma program and graduates in 5 months, the total cost would be $\$99.00 \times 5 = \495.00 . NGA reduces the cost of the program for those students that complete it sooner than 10 months.

Adult high school students may take up to 12 months to complete each grade level (approximately six courses). Enrollment is month to month, and adult students may cancel at any time; however, there will be no refund of installment payments already made.

Should there be no cancelation, re-enrollment will be one late payment, a late fee, and a current month's tuition (\$208.00).

The payments are made in full (\$990) or by making ten interest-free monthly installments to the school. Adult students may choose to pay in full at (\$990) or may choose to make ten monthly installments of \$99.00 per month.

Payments are directly billed to the credit/debit card on file with the school. **The adult, high school program, must be completed in 24 months or less**, and students are expected to stay actively engaged in their courses.

If a student is paid in full (\$990) and is locked out for inactivity, the student will be subject to a re-enrollment fee of \$200.00 and courses may start over from the very beginning.
